

Commercial name

Biocal Absorvente

Product class

Industrial Absorbent (Calcium Carbonate)

Chemical AnalysisCalcium Carbonate (CaCO_3) - 89.5 %Magnesium Carbonate (MgCO_3) - 0.6 %**Physical properties of the product**

Presentation: Powder

Granulometry: < 0.5 mm

Product functionality

Oil absorbing and cleaning action;

Acid neutralization;

Reduction of evaporation and flammability.

Bag 25 Kg (pallet 60 bags)
